

Instruction Disclaimer

Dennis Kirk provides instructions to help our customers better understand how to install the products we sell. The instructions are exact copies of what the manufacturer includes with the product being sold.

That means the quality and accuracy of the instructions is solely dependent on what the manufacturer produces. We do our best to make the text legible and the pictures viewable. However, the end result depends largely on the quality of instructions the manufacturer provides.

Therefore, you will find that some instructions are not of the highest quality. Sometimes text is hard to read and pictures are not easy to see. At times you will find the overall look of the instructions to be less than professional. However, we feel it is better to provide what we have rather than provide nothing at all.

To the best of our knowledge the instructions and application information contained in the instructions is accurate. However, Dennis Kirk assumes no liability related to any errors that may be contained in the copy of the manufacturer's instructions we provide. Buyers are solely responsible to insure that product use is consistent with their application.

If you have any questions please contact us at customerservice@denniskirk.com or 800-969-7501 so we can further assist you regarding additional product information or any other business related questions.

Thank you for doing business with Dennis Kirk.

INNER FAIRING COVERS

7267

PARTS INCLUDED

- 1 Left Inner Fairing Cover
- 1 Right Inner Fairing Cover
- 2 Alcohol Pads
- 1 Installation Instructions

Please read and understand entire instructions before starting installation.

THANK YOU FOR CHOOSING KÜRYAKYN!

IN ORDER TO PROTECT YOU AND OTHERS FROM POSSIBLE INJURY AND/OR PROPERTY DAMAGE OR LOSS, PLEASE PAY CLOSE ATTENTION TO ALL INSTRUCTIONS, WARNINGS, CAUTIONS AND ATTENTION NOTES REGARDING THE USE AND CARE OF THIS PRODUCT.

ATTENTION! This indication alerts you to the fact that ignoring the contents described herein may negatively affect product performance and functionality.

STRICTLY OBSERVE THE FOLLOWING GUIDELINES IN ORDER TO USE THE PRODUCT PROPERLY AND AVOID POTENTIALLY DANGEROUS ACCIDENTS.

STEP 1 Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn off the ignition.

STEP 2 Remove any grease or debris from the top of the inner fairing (PIC 1) with soapy water and a clean rag; rinse and allow the area to dry completely. Clean the area with the included alcohol cleaning pad to remove any residue; allow the area to dry completely.

ATTENTION! Ensure the area of installation is free of grease, oil, dirt or other debris including wax/polish products and bugs to ensure proper adhesion. Kuryakyn WILL NOT issue a warranty on any parts lost due to improper installation.

ATTENTION! The adhesive may not correctly bond if applied at temperatures less than 50°F. Do not attempt this installation in temperatures less than 50°F.

STEP 3 Test fit the right Inner Fairing Cover to the top of the inner fairing. PIC 2 Make any reference marks with a non-permanent marker or masking tape. Rub the backing on the adhesive strip to activate the adhesive. Remove the backing. Using any reference marks made, press the right Inner Fairing Cover into place for 1 minute to ensure proper adhesion. Full bond strength will occur within 24 hours. Repeat for the left side.

NOTE: If the motorcycle is to be operated before the 24 hour cure time has expired, use a good quality masking or painter's tape over the Accent to assist in holding the Accent in place until the cure time is over.
